

P&E Services Group™

Working Collaboratively With:

Program Productions, Inc

XLT Management Services, Inc.

PROCREWZ®

ProCrewz, Inc.

P&E Services Group is a dynamic group of related entities working collaboratively with one another to provide our Clients with a wide range of high level services for employee, event, and data management. **P&E Services Group** collaborates with and coordinates services between our partner entities, including: Event Software Partners, LLC; Finley Road Partners, LLC; Kingsbridge Shared Services, Inc.; ProCrewz, Inc.; Program Productions, Inc.; and XLT Management Services, Inc. (collectively, the “P&E Services Group”).

Through these collaborations, **P&E Services Group** provides:

- Enterprise resource management software and mobile applications used for event staff management and personnel record management. This includes applications for staff database management, event-based staff management, assigning and publishing schedules, notifying employees of job/event details, job wide communication, recording work hours, job payroll, accounting and invoicing.
- HR and Employee management services including recruiting, vetting, and referring technical and professional staff, direct employee communications, payroll, legal consultation, HR consultation, administration of employee training and testing.
- Technical and professional production support for live events including sports, entertainment, corporate, and musical broadcasts

Please contact **P&E Services Group** and let us tell you about all that we can do.
