SERVICES AND SUPPORT FOR FAMILIES

Addiction is called “a family disease” for good reason. Everyone is affected when a loved one is struggling with addiction or mental health disorders. Hazelden Betty Ford's family offerings include:

- Family Program—Education and support for anyone impacted by a loved one's addiction
- Children's Program—Education and support for kids (ages 7-12) with addiction in their family
- Informational Resources—Free podcasts, webinars, videos, articles, online support groups and more
